Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

**DETAILED ACTION**

Applicant's amendment filed on August 25, 2008 is acknowledged and has been entered. However, the timely submission under 37 CFR 1.129(a) filed on August 25, 2008 is not fully responsive to the prior Office actions because Applicant failed to amend the claims in accordance with the elected material as elected in Applicant's response dated June 4, 2007, in which Applicant elected Group I.

As stated on page 2 of the Ex Parte Quayle Office Action dated June 24, 2008, "this application is in condition for allowance except for the presence of non-elected subject matter in the claims". Applicant is advised that in order for the reply to this requirement to be complete, Applicant must amend the claims to exclude the non-elected subject matter.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
